

Keystone Opportunity Center is holding our **Fall Food Drive on September 24th (8am-1pm)**. During late summer and early fall the our shelves often run low. **Would you consider donating some of the following items to the Keystone Food Pantry?** Keystone Food Pantry serves over 240 local families each month that are struggling with food insecurity. Your donations will help make sure that these families have the food they need to live safe and healthy lives.

For your convenience we have two drop off centers for this one day food drive event (**Care & Share Thrift Shopping Center and Walmart Harleysville**)
